Touching Others!

Jesus called people to Himself. He promised them rest for their weary souls. Most ignored His invitation. That problem still exists today. Why do so many choose to go it alone? This week, think of those you know who seem to be trying to go it alone. Give some of them a call. Send them a text or email to let them know you are thinking of them. Pray for them. Sometimes all someone might need is to realize someone really cares. Jesus did.
