THE COST OF FOLLOWING JESUS

~continued from cover~

The Cost of Self-assessment. Jesus' followers must be fully in touch with who they are and how Christ has equipped and empowered them to do what He asks (**Luke 14:28-30**). This means that we have to be willing to use our talents to bring growth in the body of Christ (**John 15:1-8, Ephesians 4:11-16**).

The Cost of Strategy. Jesus' followers must think through the issues and have the courage to act in the face of uncertainty (**Luke 14:31-33**). God's way is the best way, but we have to rely on Him in our decision making. We cannot act in a rational and godly way without first thinking about the consequences. This is why God has given us the Bible to study (**II Timothy 2:15**).

There is much to living the Christian life, but it is worth the cost. After all, God paid a high price to save me from my sins! I hope you will remember that as you go through your week! Have a great week!!!
