Tritheism Is Sneaking Into The Church

~continued from cover~

If someone can discredit the Holy Spirit and His work in the church today, then it should follow that all charisma, spontaneity, and change will be flattened. Therefore, it is often advocated by these individuals that God has become restricted to the first and second century (as dangerous as this is, they attempt to constrain and regulate the work of God).

In many denominational circles this view is often called the "Trinitarian Christian" view or the "Trinitarian Monotheistic" model (the latter seems contradictory). It sounds eerily similar to Hinduism. The Hindu have a Trinity consisting of Brahma (Creator = God #1), Vishnu (Preserver = God #2), and Shiva (Destroyer = God #3). The difference with Hinduism is that like dualistic teachings, these three gods are only unified as an impersonal substance, which does not prevent conflict within.

The Bible clearly teaches monotheism! This will be our focus next week.

RAY'S QUESTION BOX

is a receptacle for your questions on any Biblical topic you would like to have answered by Ray in his Sunday evening worship hour. We have thus far had great questions answered, in detail, using God's Word. Please take the time to write a couple of questions and drop them into the box on the foyer table. These questions and their answers have been very enlightening. We are sure your questions and the Word's answers will be just as enlightening.

Men's Weekly Breakfast will meet this Friday for breakfast at The Checkerboard To confirm location or for more info, contact Mike Cumberland at 601-479-4074
