Led By The Spirit

~continued from cover~

If you were given the choice would you rather live under the Old Law or the New Law? If you are unsure read Hebrews and then answer the question. If you like the Old Testament, and want to be guided by the law, you don't need the Spirit. As a matter of fact, you don't need Jesus either! You might be lost in your sin, but if you memorize the book of Leviticus you will be able to find a temporary solution to the problem. And, if God would honor it (you know better), you would safe until the next time you sin.

The Holy Spirit of God must lead His people. Otherwise we are not His people at all! Think about **Romans 8** and what Paul said about our adoption. We need the Spirit if we want to be called the children of God! He needs to lead us and guide us. We do not have all the answers and anyone who says he does, or that he/she is perfect, mark them. We need to surrender to the will and work of God! Have a great week!
