## Cell Phone vs. Bible

I wonder what would happen if we  
treated our Bible like we  
treat our cell phones?

What if we carried it around  
in our purses or pockets?

What if we turned back to  
go get it if we forgot it?

What if we flipped through it  
several times a day?

What if we used it to received  
messages from the text?

What if we treated it like we  
couldn't live without it?

What if we gave it to kids as gifts?

What if we used it as we traveled?

What if we used it in case of an emergency?

What if we upgraded it  
to get the latest version?

This is something to make you go ...

"hmmm...where is my Bible?"

Oh, and one more thing.

Unlike our cell phone,  
we don't ever have to worry

about our Bible being  
disconnected because ...

Jesus already paid the bill!
