"One Little Wire"

We have been without the internet in the offices for two weeks. With the help of Alan Shelby and much persistence we now have the internet once again. Thanks Alan, you really came through for us!

When the last technician looked at our box (that feeds the telephone and internet through a line to the building) he looked at it for a few minutes and said, "Hmmm, this orange wire doesn't even seem to be connected." And that's it! One little wire caused so many problems! A hundred people haven't received our bulletin for three weeks. Our web site was not able to be updated. Several headaches lingered in the church offices. Extra work was required to get normal, daily tasks done for the church. Updates on our sick have been late in coming or missed altogether. And, there were other things too numerous to mention. All caused by ONE THIN, LITTLE, ORANGE WIRE!

I got to thinking about that one little wire and how it hindered us. I then thought about those who might be hindered in their relationship with Christ by "one little thing." Note seven of these...

- ✦ One little problem we refuse to resolve
- ✦ One little habit we refuse to break
- ✦ One little relationship we refuse to repair
- ✦ One little attitude we refuse to change
- ✦ One little opportunity we refuse to take
- ✦ One little fear we refuse to face
- ✦ One little sin we refuse to forgive

Are you being hindered in your faith, worship, or work for the Lord by one of these "little things?"

Think about it. Eternity may very well depend on it!
